Children with Language Impairments: An Introduction

By Morag L. Donaldson

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Children with Language Impairments: An Introduction, Morag L. Donaldson, 'Throughout the book the author is able to present concisely and accurately rather complex research information about children with language impairments without unduly oversimplifying the issues involved. The scope of the book is therefore particularly appropriate for professionals wishing to find out the basics about language-impaired children, such as educational psychologists and teachers with little experience with such children. Furthermore first- or second-year undergraduate students, as well as parents with an interest in the area, of speech-language pathology will find this book stimulating reading.' - British Journal of Developmental Psychology 'a valuable introduction for parents, speech and language therapy students and child care professionals who want to know more about language impairment.very readable.' - RCSLT Bulletin 'This excellent little book is a scholarly, but very readable summary of child language impairment.it will prove useful for students who require some knowledge in areas of communication impairment such as teachers, nursery nurses, psychologists and medical practitioners.its descriptions and arguments are concise.there is a comprehensive up to date bibliography which would make the book of use to practising speech and language therapists.
