Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the latter days of the First World War, Poirot and Hastings dined at the Carlton where they meet Captain Vincent Lemesurier and his uncle Hugo, a chemist. Cousin Roger rushes in with the news that Vincent s father has had a serious fall from a horse and is not expected to last the night. Vincent and Uncle Hugo leave. Vincent, the eldest and only of three sons to survive the war, was not close with his father. Roger tells them that Vincent s strong reaction to the bad news is partly due to the Lemesurier curse. No first born son has lived to inherit the family estate since the Middle Ages. This family curse arose from an ancestor who erroneously suspected his wife of being unfaithful and his young son of not being his own. In a fit of rage he killed them both. His wife cursed him before she died that no first-born son of his descendants should ever inherit. Instead it passed to nephews, younger brothers or younger sons. The next day, Poirot and Hastings learn that Vincent died.
