E5583 2006h OCLC Number: (OCoLC)85810384 Subject: Wilderness areas -- Law and legislation -- Utah -- Washington County. Excerpt: . . . work they did in the last Congress with the two bills that passed the Congress unanimously gave us hope that we might be able to do the same thing in Utah. Therefore, we have patterned our bill along the Nevada precedent. We have followed the procedure that was followed in Nevada. We have taken the same parameters that were established in those bills and we have done our very, very best to stay within that historic precedent. I believe still, that if there is going to be resolution of the wilderness issues, its going to be along the pattern established by Senator Ensign and Senator Reid, in their pioneering work in the previous Congress. This bill has been mischaracterized rather substantially in the press because as was the case in Nevada, there will be some public lands that will be put up for sale and the characterization has been that we have been in the hands of the developers who produced this bill, myself in the Senate with Senator Hatchs co-sponsorship and Congressman Matheson in the House. That makes it a bipartisan issue because Congressman Matheson is the States Democratic representative. The people say, why did you work with Congressman Matheson and I said because this is in his district and I dont want it to be a partisan issue. Washington County is a part of his district and so I have sat down with him and his staff and my staff have literally walked over every inch of the lands that were talking about here. We did not sit down...
