

## Fighting France: From Dunkerque to Belfort

---

By Wharton, Edith. Tóibín, Colm, Foreword by.

Hesperus. 1 Paperback(s), 2010. soft. Book Condition: New. As nuanced in her depictions of the French landscape and architecture as she is in her observations of human behavior, the author of *The Age of Innocence* and *Sanctuary* fully exploited her unique position as consort to Walter Barry, president of the American Chamber of Commerce in Paris, which allowed her unparalleled access to life in the trenches of World War I. Sensitive without sentimentality, and offering a valuable and rare female perspective of a war dominated by the male viewpoint, Edith Wharton's 191518 articles were written to garner American support for the Allies. 115.
