To summarize: In order to perfect the method of distribution, teachers in elementary schools under rural supervision should remember the following: 1. A copy of the September number of the Cornell Rural School Leaflet for teachers will be received through the mail early in the school year. 2. A blank accompanies the teachers leaflet, which is to be used only by teachers of elementary grades under the supervision of district superintendents of rural schools (page 1605). 3. The blank should be carefully filled out with name and address, district number, township, county, name of district superintendent, and names of pupils. 4. The blank should be returned at once to Edward M. Tuttle, College of Agriculture, Ithaca, New York. 5. Three times...
