Createspace, United States, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.A haunting array of nightmare novelties from Steampunk to cyber-cinema and beyond. In the pages of the magician s notebook, anything is possible and limitations melt away like wax before the flame. Come in and share the dreams. - of the hunt for a desperate beast that ends in madness. - of the everyday magicians who triumph over reality. - of the reporter whose obsession draws him into crime. - of the Gothic party that goes horribly wrong. - of the artist haunted by puppets. - of the mad Victorian hunter of psychical parasites who may have met his match. From the Pushcart-Prize nominated author of Persephone s Torch, here are nineteen stories that have previously appeared in such respected publications as The North American Review, Kinesis and Art Times as well as two brand-new tales, offering an unnerving tour of the shadow world that flits at the dusky corners of your mind. **** From the subsurface anger bubbling under the skin of the Goths to the internal strength of The Farrier, author Freder steps through his tales with the confident tread of a talented wordsmith while tiptoeing through worlds, societies, or situations that challenge his heroes and might break even the sturdiest of us, were we to one day be in their shoes. A fine companion to Persephone s Torch, and a highly-recommended gathering of thoughts and dreams in its own right. -Bruce Canwell, Associate Editor, The Library of American Comics.
