Reviews

This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.
(Alfreda Bradtke)

THEY GAVE ME A SEAFIRE (HARDBACK)

Pen Sword Books Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 241 x 165 mm. Language: English . Brand New Book. A classic in every sense of the word, the re-issuing of this book is sure to provoke an enthusiastic response. First published in 1986 by Airlife, its publishing history has seen a great number of glowing reviews generated, coming from both historians and participants in the proceedings that the author so eloquently relays. The book charts Crosley s service career in the Fleet Air Arm during the entire period of the Second World War. Part of his service saw him in action aboard HMS Eagle, flying Sea Hurricanes on the Harpoon and Pedestal Malta convoys of June and August 1942. It was during this time that he shot down his first enemy aircraft and survived the dramatic sinking of HMS Eagle. From there he graduated on to Seafires, (the Naval equivalent of the Spitfire), and flew this type in Combat Air Patrols over Norway and ramrod strikes from Operation Torch (the invasion of French North Africa in November 1942), through to D-Day in June 1944 in the European Theatre of Operations, and then in the Pacific aboard HMS Implacable as part of the British Pacific Fleet in 1945 until the end of the Pacific War, by which time he had command of his own combined squadron, 801 and 880. The narrative is well written in a frank and often scathingly critical way of Fleet Air Arm operations during the Second World War and beyond. The book looks set to bring the endeavours of Crosley to a whole new generation of enthusiasts, and it should appeal across the board to fans of aviation, naval history and families and friends of Armed Forces, past and present.
