Compilation is a book for college students who have difficulties to write essays and paragraphs. The essays and paragraphs are based on subjects or topics currently discuss in college. The samples of essays and paragraphs will help the learners in the courses: strategies for college success, political theories, speech, English preparatory, English compositions one and two, Bible as literature, theater appreciation, political science and many more. The examples in this book will take the students from the very beginning to a knowledge and control of various essential sentence structures, paragraphs, and essays of the English language. But he wants to remind everyone that perfection does not exist in this world. Thats why everyone should try to write without fear. This item...
