Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Algebra is a pretty important tool for every other area of mathematics, which is why it comes first, after you learn arithmetic. It s the basic setting you use to handle the unknown, putting a situation into mathematical terms and using various strategies to figure out what s going on. And if you re having problems with it, that s okay-we all have our own specialties, and there s not an area in any subject that everyone is great at. That s what this brief course is for: to give you a hand where you re facing difficulties with algebra. NOW Books is an imprint of Minute Help Press. Each enriching book in the NOW series teaches readers how to improve their lives in about an hour--whether it s breaking a habit, publishing a book, or finding a job, the NOW series has something for you.
