THE GREAT DIVERGENCE: AMERICAS GROWING INEQUALITY CRISIS AND WHAT WE CAN DO ABOUT IT

[DOWNLOAD](#)

Bloomsbury Publishing PLC. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.2in. x 5.5in. x 1.0in. For the past three decades, America has steadily become a nation of haves and have-nots. Our incomes are increasingly drastically unequal: the top 1 of Americans collect almost 20 of the nations income-more than double their share in 1973. We have less equality of income than Venezuela, Kenya, or Yemen. What economics Nobelist Paul Krugman terms the Great Divergence has until now been treated as little more than a talking point, a club to be wielded in ideological battles. But it may be the most important change in this country during our lifetimes-a sharp, fundamental shift in the character of American society, and not at all for the better. The income gap has been blamed on everything from computers to immigration, but its causes and consequences call for a patient, non-partisan exploration. In *The Great Divergence*, Timothy Noah delivers this urgently needed inquiry, ignoring political rhetoric and drawing on the best work of contemporary researchers to peer beyond conventional wisdom. Noah explains not only how the Great Divergence has come about, but why it threatens American democracy-and most important, how we can begin to reverse it. *The Great Divergence* is poised to be one of the most talked-about books of 2012, a jump-start to the national conversation about what kind of society we aspire to be in the 21st century: a land of equality, or a city on a hill-with a slum at the bottom. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
