Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Prodigal Son: A Drama in Four Acts Iceland had never looked more wonderful. The stern old Northland, which in the daylight bears always and everywhere on its sphinx-like face the mutilating imprint of the burnt-out fires of ten thousand ages, and would seem to be dead but for the murmurings of volcanic life in its sulfurous womb, lay in the autumn moonlight like a great creature asleep - calm, august, and blue as the night. The moon was still shining, and everything seemed to swim in the soft grace of its silvery light, houses, ships, fishing-boats, the fiord in front, the lake behind, the black moorland around, and the snow-tipped mountains beyond - when the little wooden capital began to stir in the morning. It was the day appointed for the annual sheep-gathering at Thingvellir; the sheepfold was thirty odd miles away; there were no railways or coaches, and few roads in Iceland, and hence the younger townspeople who intended to make a holiday of the event had to set out early on their little shaggy ponies. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
