Javascript crash course and the ultimate guide for hacking (javascript for beginners, how to program, software development, basic javascript, hacking, computer hacking, on to c++) Javascript The Ultimate guide for javascript programming (javascript for beginners, how to program, software development, basic javascript, browsers) JavaScript is easier to learn if you have the correct tools. Unfortunately, most resources available today were written in complex human words which make it difficult for complete beginners to appreciate the beautiful world of programming. This book aims to teach you the basics of JavaScript language in the simplest way possible. Unlike other resources, this book will not feed you with too many technicalities that might confuse you along the way. Each discussion was written in simple words. All exercises in this book were carefully chosen to be simple cases in order to make your JavaScript practice easier. Here is a preview of what you ll learn: Introduction to Programming Short History of JavaScript Creating Values in JavaScript Language Managing Values Using Variables Integrating JavaScript with HTML Hacking for Dummies A Beginner s Guide to Computer Technological advancement and progression is enhancing by leaps and bounds. Every new day turns out to be a milestone for something more sophisticated and advanced. As the involvement of information technology and soft infrastructure enhances in the modern day, there has been a number of issues which need a clear and accurate attention. Hacking is one such issue. In this book I have discussed the hacker s domain in a common man s language. Starting from the most basic level is significant...
