After receiving revelation from the Lord in October 2006, I discovered why I wasn't prospering as promised in the Bible. My beliefs were based upon my personal experiences rather than the word of God. I discovered I wasn't using all the talents that God created within me. These hidden talents are the seeds to our financial and business success. The Lord revealed to me that I should be living in God's economy of abundance and that my finances are not meant to be tied to the world's economic system. Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
