A clear and comprehensive survey of the foundations of Islam according to Islamic tradition, this book vividly illuminates the links between the teachings of the Quran and the actions of Muhammad and the behavior of modern-day jihadists and Islamic supremacists. If this book were read and digested in the Pentagon, American policy toward jihad would be a good deal more coherent and effective than it is. - Robert Spencer, author of the New York Times bestsellers *The Politically Incorrect Guide to Islam (and the Crusades)* and *The Truth About Muhammad* With graceful prose, extensive research, and rigorous argument, David Hayden recovers the historical truth of Mohammads destruction of the Jews of western Arabia. Sweeping aside the current propaganda that makes Muslims the historical victims of Jewish aggressors, Hayden details the methodically brutal slaughter and plundering of Arabias long-established Jewish tribes that marked Mohammads rise to power in the 7th century, and that created the template for Islams subsequent expansion, including todays Muslim terrorists and anti-Semites. Anyone who wants to understand the true history behind todays conflicts in the Middle East should not miss this indispensable guide...
