Abbott Press, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In My Steps is the heartfelt story of how Jesus Christ has lived His life within the context of author Bob Clapp s life. It s not so much what would Jesus do (WWJD) as it is what is Jesus doing (WIJD). From Clapp s escape from death in his mother s womb to the present day, Jesus has made miracles, signs, healings, wonders, and deliverance that can only be contributed to Him living in the author, walking in his steps. Jesus walked with the author through times of intense suffering, bondage to sin, and rejection by churches as well as through great times of revival, souls being saved, and lives being transformed at the touch of His presence. Living in obedience to Jesus and His love in spite of those who violently disagree has often been the order of Bob Clapp s steps. Throughout all of his challenges, Jesus has been his protector and counselor. Without Him walking and living in His steps, the author would never have survived and moved forward into the much more abundant life He offers. Just as the Vine supplies life to the branch, so has Jesus proved faithful to bringing triumph out of tragedy, joy out of sorrow, peace out of pain, and good out of evil.
