The Ultimate Medicare Decision Making Formula: A Consumer s Guide to Medicare Supplement, Medicare Advantage, and Part D Plans

By Dan Brooks

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The Ultimate Medicare Decision-Making formula is designed to simplify and educate readers about the seemingly complicated and confusing aspects of Medicare. It will also enable them to make swift and accurate decisions in regards to their health and prescription drug choices. Developed through thousands of hours working with new Medicare beneficiaries, this proprietary decision making process will allow you as the reader to select the right Medicare health plan for your individual health care needs, lifestyle, and budget. You ll find everything you need to know from when, where and how to apply for benefits, to the optimization of your plan from year to year. In addition to the book itself, readers will also have the ability to access audio-video tools as well as personal assistance via the internet. Finally, the consumer tips following each relevant chapter will help readers avoid common pitfalls associated with the enrollment, and plan selection of Medicare. Although designed primarily for the new Medicare enrollee, this material is relevant to anyone receiving benefits from Medicare.
