Nla Digital LLC, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.My name is Benjamin Dorsey. You know my mom and dad s story. You know Kylie s parents story. You even know Kylie s story. You don t know mine, yet. You don t know what a broken heart is until you ve loved someone your whole life, only to have her slip through your fingers because you waited too long. That s heartbreak. That s regret. And how do you live with that? How do you go through the motions when she s there as a reminder of what you lost, of what you could have had but were too damn chicken to go after? I couldn t. So I left. That s right, I ran away. I found myself across the continent, playing minor league football. I mean, at least I still had football, right? Nope. That got taken away from me too. A career-ending injury left me down-and-out, scraping the bottom of the barrel, hating myself and hating life. And then I met Cheyenne Leveaux, my physical therapist, who became my one and only friend, the one bright light in the darkness of my messed up life. But of course nothing is ever simple, or easy. Tragedy struck, and the rug was swept out from under me yet again, and this time the guilt, the doubt, the secrets, and the old heartbreak may threaten my one chance at true happiness, my one shot at my own happily ever after.
