Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Have a Happy Family Life: Teach Yourself, Suzie Hayman, Why do some families work better than others? What are the ingredients for a fulfilling family life? In this wide-ranging and practical book, respected counsellor and agony aunt Suzie Hayman explains how you can make your family work, whatever stage of life you are in. This book is about you and your family - your development, your children's development, your relationships not only with your partner and immediate family but with those who raised you and those you care for and about. We'll be looking at the vital questions; How do children develop? How do families bond? How do our experiences as children help or hinder us later in life? What happens in your family of origin to give you and the best start and continuing opportunities, and how do those influences affect your ability to help your own children go on to thrive and develop? What are the issues that come up in everyday life between you and your family, and how may understanding why you behave and feel the way you do allow you to control what happens, for the best?.
