Balboa Press, United States, 2012. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.People come and go in our lives. Over the years I have come to define those who touch our souls as heroes, mentors or friends, but in reality, I believe they are spiritual guides sent to us by a higher power. Once we recognize their inherent divinity and open to their influence, our spirits resonate at a higher level. Some call these special souls angels. This book gives the reader a profound insight into these beings and their miraculous influence on our lives. Heartwarming stories of courage, small acts of kindness and most of all, love, will bring a better understanding of the power they derive from our Source. Come share the miracle of synchronicity. Trust in the flow of God s love as shown by these messengers of hope. You may discover that you too are making a difference in someone s life as a Hero, Mentor or Friend.
