

## Comparative Politics of the "Third World": Linking Concepts and Cases (3rd Revised edition)

By December Green, Laura Luehrmann

Lynne Rienner Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Comparative Politics of the "Third World": Linking Concepts and Cases (3rd Revised edition), December Green, Laura Luehrmann, Avoiding the problems of both overgeneralization and a strictly country-by-country approach, Comparative Politics of the "Third World" offers an innovative blend of theory and empirical material that introduces students in a meaningful way to the developing (or not developing) world. December Green and Laura Luehrmann consistently link concepts pertaining to history, politics, economics, and international relations to a set of eight timely case studies: China, Indonesia, Iran, Mexico, Nigeria, Peru, Turkey, and Zimbabwe. Their approach, an accessible and even compelling narrative, is directed specifically at today's undergraduates. Among the many outstanding features of this new edition: \*Addresses the sticky issue of terminology, confronting head on the implications of such phrases as "third world," "global south," and "developing world." \*Effectively uses case studies--each one updated from beginning to end--to make sense of theory. \*Incorporates the most recent political and economic data available. \*Highlights the effects of the global economic recession and progress toward the Millennium Development Goals. \*Discusses a range of new "hot topics," such as the role of information technologies, that highlight interdependence....
