

OCR Psychology: AS Core Studies and Psychological Investigations (3rd Revised edition)

By Philip Banyard, Cara Flanagan

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, OCR Psychology: AS Core Studies and Psychological Investigations (3rd Revised edition), Philip Banyard, Cara Flanagan, OCR Psychology, Third Edition, is endorsed by OCR for use with the OCR AS Psychology specification. This book prepares students for all elements of the OCR Psychology AS exam. It covers both research methods and core studies, giving the who, what, where, and even the why of each study. It also looks at some of the work that followed the studies. Key features of the book include: 'Psychological Investigations': the first chapter of the book helps students to understand research methods in psychology - useful support for the Psychological Investigations exam and for understanding the core studies themselves. Core Studies: each study is described first 'In a Nutshell', followed by a detailed account of the aims, method, results and conclusions. Guidance is given on how each study can be evaluated and a wealth of extra materials is provided for each study - questions to assess understanding, practical activities, multiple choice and exam-style questions, further reading and video links. Background to each core study is included in the 'Starters' and 'Afters' features: information about related research...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
