Purple House Press. Hardcover. Book Condition: New. Graham Booth (illustrator). Hardcover. 1 pages. Dimensions: 9.6in. x 8.9in. x 0.5in. This children's classic from 1972 returns! Henry and his dog, Laird Angus McAngus, were fearless explorers. One morning they set out to find an ocean. They took along Henry's explorers kit and a special new flag made from an old shirt. It may be a long and dangerous trip, Henry told his mother as they left. I hope it won't take all day, she said. Who knows replied Henry. It could take a year! And it might have. For like many explorers of oceans, Henry and Angus were cast up on an island with no way to escape. But good explorers are prepared for everything. And these two proved more than equal to the dangers they met, though there were some tough moments. Don't forget about Henry the Explorer, Henry Explores the Jungle and Henry Explores the Mountains. All to be republished too! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
