Allison & Busby. 1 Paperback(s), 2013. soft. Book Condition: New. Growing up in the shadow of her mother, the ill-starred Anne Boleyn, young Princess Elizabeth has learned to be always on guard for the political games played out around her, in this 1944 novel the first of a trilogy (followed by *Elizabeth: Captive Princess* and *Elizabeth and the Prince of Spain*. But when her father Henry VIII dies, the future brightens for Elizabeth, and she is able to set up a home with Henry's widow Katherine Parr, who now has a new husband, Tom Seymour. Tom, however, is playing a risky game: marrying a widowed queen is one thing; flirting with the King's daughter and second in line to the throne is another. Esteemed for the historical accuracy of her well-researched novels, Margaret Irwin (1889-1969) is best remembered for her Tudor and early Stuart era novels, particularly the Elizabeth I trilogy. "One of Britain's most accomplished historical novelists. Her love and respect for the past shines through every page." Sarah Dunant 393.
