

Culture in Clinical Care: Strategies for Competence

By Bette Bonder, Laura E. Martin

SLACK Incorporated, United States, 2013. Microfilm. Book Condition: New. 2nd Revised edition. 277 x 216 mm. Language: English . Brand New Book. Culture in Clinical Care: Strategies for Competence explores theory and practice to define and describe the multidimensional nature of culture and its interaction with an individual's experience in the development of beliefs, values, and behaviour. The newly updated Second Edition examines cultural beliefs related to health and wellness and how these beliefs and their associated actions affect intervention strategies. Based on ethnographic methods, strategies for culturally sensitive assessment and intervention are defined and illustrated, with ample opportunities for reflection and practice. Going beyond traditional fact-centred and attitude-centred approaches, Culture in Clinical Care, Second Edition describes the ways in which culture emerges as individuals interact with each other in physical and social environments. This one-of-a-kind text by Dr. Bette Bonder and Dr. Laura Martin provides health care practitioners and students with chapter objectives, critical thinking questions, interdisciplinary case studies and examples, numerous activities to build observation and interaction skills, comprehensive references and online resources, and images. The book's organisation emphasises practice and reflection by interweaving theory, examples, and continuous hands-on application of concepts. Readers have the opportunity...
