The most current, comprehensive view of educational psychology today The Thirteenth Edition of Educational Psychology continues to emphasize the educational implications and applications of research on child development, cognitive science, learning, motivation, teaching, and assessment. Theory and practice are considered together, showing how information and ideas drawn from research in educational psychology can be applied to solve the everyday problems of teaching. The text reflects the field as it offers unique and crucial knowledge to any who dare to teach, and to all who love to learn. Personalize learning with MyEducationLab (r) MyEducationLab is an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through real classroom video footage, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes. 013422955X / 9780134229553 Educational Psychology, MyEducationLab with Enhanced Pearson eText, Loose-Leaf Version -- Access Card Package Package consists of: 0133549925...
